President's Message

I am humbled by the opportunity to represent a phenomenal group of women who came together and started the IV.Y. P.E.A.R.L. Foundation. I thank them for granting me the opportunity to serve as President, and I value their support and guidance.

In 2022, we surpassed everyone's expectation for fundraising. You made that happen! As we look towards 2023 and 2024, I am excited about our opportunity to build a legacy and transform the lives of FAMU students. Our sisterhood is our strength!
