President's Message

VALENCIA WALKER
PRESIDENT

This journey of Beta Alpha AKA Alum creating a unprecedented financial legacy began over a decade ago. We started out as a few like-minded sorors and developed into a small but mighty committee. Realizing the potential for greater impact, that committee became an official 501(c)3 organization in 2020.

In less than five years, we have demonstrated why we are the first and the finest! I am excited to share that your support and your giving are making a real impact!!! In 2024, we awarded FIVE (5) scholarships to deserving FAMU students, including three of our own Beta Alpha undergrads!

I cannot begin to express my excitement about the great accomplishments that await us! As we march onward to our 100th Beta Alpha Chapter AKAversary, we need you more than ever. Please join us as we continue to defy expectations and raise the bar on what we can do when "we help each other!"
